Summary

I have extensive experience in corporate tax, ranging from calculation to reporting, while also touching on accounting and compliance. I have a solid accounting background and have dealt with transfer pricing, group reporting and statutory finance.

Work Experience

A2R Statutory & Tax Project Lead

Budapest, Hungary

SYNGENTA

July 2023 - Present

I lead projects related to statutory accounting, reporting, and tax processes in the EMEA region, where I am responsible for:

- Support the implementation of new business models, mergers and integrations while adhering to applicable corporate frameworks.
- Actively seek process improvements and implement corrective actions in consultation with the EAME A2R Head.
- Ensure automation is prioritized when building business cases to decide if investment in new A2R Statutory and Tax solutions is required.
- Leverage technology to drive efficient and effective processes and support the team in digital transformation, process improvement and automation.
- Foster collaboration with other regions to share best practices and drive effective end-to-end finance operations activities.

Statutory & Direct Tax Senior Accountant

Budapest, Hungary

SYNGENTA

February 2021 - June 2023

My responsibilities covered the following areas related to Syngenta's Iberia portfolio's statutory and corporate tax matters:

- Lead and ensure that statutory financial statements/tax filings are prepared for all entities.
- Ensure the Group Transfer Pricing framework is implemented and followed, providing country-specific regulations feedback to Group Reporting/Group Tax teams.
- Ensure that the statutory changes are reflected in Group Reporting.
- Facilitate external audits and coordinate third-party financial service providers.
- Continuously monitor internal and external risks that may arise and address any regulatory changes.

Netherlands Direct Tax & Reporting Junior Manager

Budapest, Hungary

DIAGEO

January 2020 - January 2021

In this role, I was responsible for the following areas in relation to the corporate tax matters of Diageo's Dutch portfolio:

- Preparation and management of corporate tax compliance work, including fiscal unions.
- Calculation of corporate income tax and preparation of tax notes to financial statements.
- Review monthly cash tax and forecast ETR.
- Manage tax payments and provisional assessments.
- Monitor overall tax position and assist with annual operating plan, group reporting, prior year adjustments, and ad-hoc tax-related inquiries.

Statutory Compliance Supervisor — Corporate Tax

Budapest, Hungary

DIAGEO

February 2018 - December 2019

This position gave me a broader view of corporate tax compliance work, such as:

- Review tax compliance materials prepared by senior team members.
- Prepare tax compliance work for the Dutch portfolio.
- Manage the entire tax compliance cycle for assigned companies.
- Review transfer pricing margin check files and communicate deadlines to markets.
- Assist the Tax Manager with team management and activity allocation, scope expansion and knowledge retention projects, and compliance-related requests.

Direct Tax Accountant

Budapest, Hungary

AIG

May 2016 - December 2017

As a member of the EMEA Tax team based in the Budapest Accounting Center, I was involved in:

- Supporting the quarterly US GAAP and IFRS tax reporting process, including preparing tax provisions, reconciling accounts to tax provision reports, and assisting in the preparation of SOX documentation.
- Supporting the Finance Center in its day-to-day tax activities (technical issues, tax opportunities, compliance, deferred taxes, transfer pricing, tax balance sheet, and tax calculations).
- Act as a liaison between local finance and regional tax teams.
- Successfully transferred all Finance Center-related tax activities and knowledge to India.

Senior Tax / Forex / Pension Analyst *Budapest, Hungary*

ExxonMobil *September 2014 - May 2016*

In this role, I worked with subsidiaries in the EMEA region and was responsible for:

- Executing the month-end, quarter-end, and year-end closing processes.
- Calculating current and deferred income tax provisions in accordance with FAS 109.
- Calculation of net periodic pension cost under FAS 87 and pension liability adjustments under FAS 158.
- Reconciliation of effective tax rates to statutory tax rates.
- Analyze movements in current and noncurrent deferred tax balances.
- Review of foreign exchange revaluation processes in SAP - including analysis of fluctuations.

Accountant *Budapest, Hungary*

Budapest University of Technology & Economics *January 2013 - September 2014*

As a member of the accounting group, my responsibilities included:

- Issuing foreign currency invoices in accordance with sales contracts on an institutional level.
- Working as part of a team to prepare the balance sheet, income statement, and other periodic and ad hoc reports.
- Posting general ledger entries of service charges between business units and those required by my other responsibilities.
- Review and return vendor and customer statements.
- Ensure business units are aware of any unresolved/unaligned revenue, outstanding invoices, and their VAT implications.

Education

MSc in Management & Leadership — Specialisation in Production & Service Management *Budapest, Hungary*

Budapest University of Technology & Economics, Faculty of Economic & Social Sciences *2011 - 2013, postponed*

Chartered Accountant *Szolnok, Hungary*

Perfekt Gazdasági Tanácsadó, Oktató és Kiadó Zrt. *2010 - 2011*

BA in Finance & Accounting — Specialisation in Controlling *Szolnok, Hungary*

College of Szolnok (Now: John von Neumann University - Faculty of Economy) *2007 - 2011*
